

CHELAN CHASE MEETING

September 8, 2014

The Chase meeting followed the September business meeting and was led by co- chairs Sandi Gruenberg and Tammy Koch. Others in attendance were; Wendy Ross, Sandy Danke, Debbie Neudorfer, Ruth Rogers, Joan Nolan, Virginia Murphy, and Betty Budnick.

It was reported that the current balance is \$3,335.81 with another possible \$3,000 more to deposit at this time.

There are 19 sponsors so far and 21 participants have registered.

It was announced that some RAC cards have been found so will order more next year with the new logo.

Someone asked if the Styrofoam pink ribbons should be on display and if so where. No decision was made.

Both KOZI radio and Go Lake Chelan will be contacted regarding announcing this year's Chase.

Chase Bank will be in charge of the booths at the River Walk Park, but only until 8:30. Someone else is needed to run the food booth, however. Debbie N. volunteered to take this on.

Erin Cass from Wellness Place has indicated that their board members and families plan to participate in the Chase. She also suggested a couple of our members join their booth at the Taste of Harvest on September 20, in Wenatchee. Tammy stated that she may go.

Campbells Resort will be pledging a portion of the income from their room rate to the Chase.

Wendy announced the Zumba Girls will be at Darnells Sept. 21st. This is to be a marathon with \$20 and \$30 in pledges along with food and prizes.

Gift items are needed for the baskets being made for the golf tournament being held on October 19th. Tammy suggested that the gifts be tagged for

golf tournament and Chase. A portion of the money from this event will be donated to the Chase.

Wendy shared three different designs that can go on the Chase t-shirts made by Tim from 7-C's. She will be meeting with him in making the final choice.s

Sandi also presented info that she received from the Shirt Shop. It appears their costs are a bit higher than Tim's.

Virginia gave a pitch for Girls Night Out on Sept. 16th at The Vogue. This event is teaming up with the Chelan hospital's monthly Wellness presentations.

There will be a short Chase meeting right after Highway clean-up, Monday Sept. 22.

Meeting adjourned at 8:40.

Respectfully submitted by,
Sandy Danke, Secretary
